

Letter to All Staff, Governors, Parents and Friends,

I am writing to you via the School Website so that I can reach as many of you as possible. I would like to thank you all for your kind wishes and gifts for my retirement. I was really lucky to receive a Biagio the Jewellers voucher and spent a considerable amount of time selecting just the right piece of jewellery. Eventually I chose a beautiful Blue Topaz and Diamond pendant in white gold. I will remember you all every time I put it on.

I have been fortunate to spend thirty years at Fringford as Administrator and fifteen of those years as Clerk to the Governors. I have seen many children come and go and some have even returned with their own children!!! It has been great to see them all arrive in Reception and then grow in confidence before leaving in Year 6. I will miss them all.

I have worked with many different staff, including four Headteachers, and I have enjoyed working with a small team. For some years I worked as a supply administrator for County and visited many other schools but none of them compared with Fringford.

It is now time for me to move on to the next chapter of my life. We have a few plans in mind but first of all I must get used to watching other people go off to work in the mornings!

Lastly I would like to thank the school for hosting my Retirement Party at the end of last term. It was an evening I will never forget, especially seeing some of the previous staff and Heads.

I wish everyone well for the future and hope that I will see some of you from time to time.

Best wishes

*Barbara*
