

Primary Physical Education and Sport Premium

From September 2013 all primary schools across England have received a share of the Government £150m pa [Primary Physical Education and Sport Premium](#). The funding is ring-fenced and must be spent on improving the provision and quality of PE and sport in primary schools so that pupils develop healthy lifestyles.

Fringford received £8,410 for the academic year 2014-15 and will be receiving £8,395 for the school year 2015-16.

90% of this funding has been spent on our annual **affiliation to [North Oxfordshire School Sport Partnership \(NOSSP\)](#)**. This [affiliation](#) gives Fringford C of E Primary School access to regular expert advice from a [secondary PE specialist](#), weekly in-school support for teachers from specialist [PE mentors](#), quality assured [professional development training](#) for teachers and teaching assistants, occasional input and support from qualified [sports coaches](#), access to regular [sports competitions and festivals](#) including national [School Games](#) competitions, support with the development and delivery of primary [Change4Life sports clubs](#) and evaluation tools to help measure and monitor progress and impact.

NOSSP affiliation also provides automatic full primary [membership to Youth Sport Trust](#) and a range of additional benefits and support including the [Youth Sport Trust Quality Mark](#).

For a copy of our agreement with North Oxfordshire School Sport Partnership please click [here](#).

10% PE and Sport Premium has been spent on transport to and from sporting activities, PE equipment and our other PE provider, Ignite Sport.

Impact

The partnership with NOSSP has had a significant impact on physical education and sport participation within Fringford Primary School. This includes, improved pupil attitudes to PE through a more inclusive curriculum that inspires and engages all pupils. The staff feel more confident and competent at providing quality teaching and learning. Fringford has also participated in many competitive activities within the partnership, with the girls cricket team reaching the county finals (a stage 3 competition).

Attainment has also been positively impacted by the partnership. The children have an increasing awareness of the benefits of sport to health and wellbeing. Positive behaviour is encouraged through the core values and the children have a good sense 'fair play' and exhibit positive behaviour throughout the school. Through the young leaders training in years 5 and 6, the children are able to increase their own self-esteem and ownership of their growth in PE.

Fringford C of E Primary School has achieved Silver Youth Sport Trust Quality Mark 2014-15 for our current PE provision and outcomes, and Silver School Games Kitemark 2014-15 for our commitment to the development of competition, school sport and physical education across our school and the local community.
