NEWSLETTER MAY 2017

Message from the Head Teacher

Welcome back after the Easter break! I hope you had a fun couple of weeks off and are ready for the Summer Term. This is another busy term, with all sorts of exciting things to look forward to so do watch out for updates via ParentMail and the school website.

It has been lovely to see all our pupils once again and to note how well they have settled back down to their learning. Well done!

SATS

For our Year 6 children, next week is a very important week in school. It is the week when Year 6 children across the country sit their SATs. Our Year 6 children have prepared well for the week ahead and I know that you will join with me in wishing them well as they strive to do their very best.

New Lunchtime Supervisor

I would like to welcome Miss Bland to the team. She has already started to get to know children and is settling in very well.

Value of the Month

This month we are discussing the value of Joy with the children.

Teachers will be awarding 'Values Certificates' to the children who demonstrate our values in and around the school.

KS2 Trip to Cadbury World

All our Key Stage pupils and staff are looking forward to their trip to Cadbury World on 15th May. It will be a wonderful way to support their topic work on the Mayans. We would like to thank FoFS for subsidising the cost of this trip.

Class 4 Kwik Cricket

We would like to wish all our Class 4 pupils the very best of luck in the Kwik Cricket tournament to be held at the Bicester & North Oxfordshire Cricket Club (Chesterton) on 12th May. Spectators are welcome.

Wrap, Splat, Hat Now the weather has improved we have started to teach our pupils about the effects of the sun, and encourage them to play in the sun safely by wrapping up in a t-shirt, splatting on the sun cream and wearing a brimmed hat.

Life Education Bus

Our class visits to the Life Education Bus went very well. The sessions are always fun, engaging and memorable. The children met Harold the Giraffe ('Healthy Harold') and his friends, discussed and watched short films about healthy eating, the body and how it works, friendships, and how choices and behaviours can affect dreams and aspirations.

We now have access to the Coram Life Education PSHE programme of study which we will be using with the children in class. There is now a proven link between pupils' health and wellbeing, and their academic achievement. At Fringford we have always strived to develop all our pupils' social and emotional wellbeing and this will provide another useful tool to help us carry out this very important work.

Movie Night

Tickets will soon be on sale for Movie Night on Friday 19th May.
