

# Starlings Learning Log Acti

## Topic: Memory Box

**Make** a scrapbook with photos of people in your family. Write sentences about the things that you like to do with them. Perhaps you could add tickets of events that you have been to.

**Remember** - record your birthday memories, including details and pictures of your favourite presents or parties.

**Create** a family album comparing your life now to the lives of your parents and grandparents when they were young.

**Research** a day in the life of a family member and create a fact file or presentation to show the class.

The possibilities are endless....

Here are just some of the ways you could complete these tasks:

- 3D models and artwork
- Different types of writing
- Drawings and pictures
- Videos and Photos
- Online research
- Book making
- Songs and poetry

**Think** about all of the things that you have learnt to do since you were a baby. Write instructions for one activity, eg learning to feed yourself or getting yourself dressed.
