

## Kingfisher Home learning tasks

### Early Islamic Civilisation

#### English

Imagine you are Shahrazad and you have been ordered to tell one more story to save your life! Write your own Arabian Night story to tell the king – remember how she gains your interest!

#### Topic

Research the 'Golden age of Islam,' and its importance. You may choose how to present your information.

#### Topic

Research what it was like to be part of the ancient Islamic Empire. You may want to look at some of the following:

Daily life, jobs, food, clothing, schools, homes etc.

You may choose how to present your work.

#### Science - Electricity

Draw a picture of the inside of your house. Label all the appliances that use mains electricity and batteries. Make your picture into a poster and include all the ways you must keep safe around electricity.

#### Topic

As Muslim leaders from the early Islamic civilisation conquered new lands they needed places to pray and so mosques were built. Your challenge us to find out about some of the most famous mosques from around the world.

**Eager Beaver task:** You might want to choose one of the mosques and build it!

#### Art

Art became extremely popular during the Ancient Islamic Civilisation. Research some of the designs, stick pictures in your books and create your own geometric pattern.

#### Due in dates

Wednesday 10<sup>th</sup> November  
Wednesday 17<sup>th</sup> November  
Wednesday 24<sup>th</sup> November  
Wednesday 1<sup>st</sup> December  
Wednesday 8<sup>th</sup> December  
Wednesday 15<sup>th</sup> December

Please remember:

**\*All journals are handed in on Wednesdays**

**\*Spelling test every Wednesday**

**\*20 mins of reading everyday**

#### Remember:

1. Homework is due in every Wednesday
2. You can gather information from a museum, library or books such as encyclopaedias (yes and the internet).
3. Produce your homework in different ways: information reports, posters, biographies, 3D sculptures etc
4. Please make sure that your homework is detailed and it shows that you have taken time over it.

**PLEASE MAKE SURE ALL PIECES OF HOMEWORK ARE  
STUCK INTO YOUR HOMEWORK LOGS**

## Task:

This is al-Razi, shown here in his laboratory in Baghdad. A man interested in many things: mathematics, medicine, literature, astronomy and even grammar. What do you think he is doing? Use the picture to explain how you know. Make notes around it.
