

## Summer Term 1 - 2023

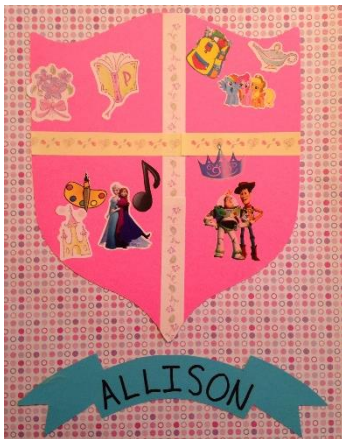

*Hear Ye! Hear ye! You are cordially invited to explore the Starlings Kingdom!*

*Walk and talk like a reigning monarch- we'll certainly learn about a few this term. If royalty isn't for you, how about a daring and adventurous knight? Battles come in many forms, so you'll need to keep your mind as sharp as your sword! We'll even hear from the court jesters, now they're a barrel of laughs!*

*Welcome to a term of Magnificent Monarchs!*

Choose 3 tasks to complete, hand them all in by **Friday 26<sup>th</sup> May**

Create a magnificent crown and sceptre, ready for your own coronation! Be prepared to wear these in class and show off your creativity!

You are now the reigning monarch of your own Kingdom or Queendom! Write a speech letting all your subjects know a) how grateful you are for the opportunity and b) what they can expect from you as a leader- let your imagination run wild! Record yourself performing this speech to your family, we'll play it in class too 😊 just send it to [office.3083@fringford.oxon.sch.uk](mailto:office.3083@fringford.oxon.sch.uk)

Design a family crest. This could be on plain paper or you could get creative with e.g. cardboard. Will yours be elegant? Bold? Flamboyant? Or minimal? You choose! We look forward to seeing it in class

# Magnificent Monarchs!

Knights were known for being fantastic strategists. Learn a game of strategy, something you have never played before. Send photos of yourself playing this game with different friends and family members. Examples of a strategy game you could learn are chess, Battleship, Carcassonne, Mastermind, Connect 4, Maponimoes. There are many more out there! Have fun, play fair!

Every royal court needs a jester! Create a jokebook that is both beautiful and funny. You'll be invited to read out 2-3 of your best jokes, we can't wait to hear what you've got!
