Springer Nature owns Macmillan Education. I started working at BioMed Central in 2010, but the merger that created Springer Nature and brought in Macmillan Education was 2015, so I have entered this date as the start. I have nothing to do with Macmillan Education, so don't know if there are products or services that would be relevant for the school, but I thought it safer to declare in case.	01/05/2015	-
